

### **The Rules**

The Bursary will be a once off payment of €1,500, payable in two instalments (e.g September and January) at the discretion of the Credit Union.

Payment of the Bursary is dependent on the student continuing their education in a Third level Institution, apprenticeship or through full time PLC and production of satisfactory evidence to that effect.

The open draw will take place online through our Facebook page. A link will be shared for this.

With the virtual draw applicants must login to the event online or have a representative login on their behalf.

A Presentation will be made to the winning Students and photographs/video will be taken at the occasion and published in local newspapers, social media, our website and also for internal publication. A time & date will be confirmed for the 5 winners to attend for these photographs to be taken.
