Signing for an Online Loan

REMEMBER a loans officer will contact you by phone regarding a loan application.

If you applied for a loan through the app & it is approved, you must sign through your online account following these steps.

1. Login and click the menu button in the top left corner
2. Click on 'Documents' and under the drop down menu, click 'Documents to Sign'
3. *Under 'Documents to Sign', your credit agreement and health declaration will appear here
4. Click 'Sign' beside the agreement you wish to sign
5. You will then be asked to generate a one-time passcode - enter the 4 digit code sent to your phone
6. You will see a tick appear on screen when successful - funds will be transferred to your bank account by close of business on the following business day

**Not all members will need to sign a health declaration. For cases where both documents need to be signed, they need to be signed separately.*
