Registering for Online Banking

You must be an existing member to register for online banking.

1. Download and open the app
2. Click 'Login' and then click on 'Register'
3. Create username - this is case sensitive
4. Enter your account number
5. Enter your name as it appears on your account
6. Enter your Date of Birth
7. Enter your mobile number - must be mobile, not landline
8. Enter your email address (must be your own)
9. Re-enter email address to confirm
10. Create a password and confirm
11. Click 'Register' You will then receive an email confirming your registration.

You cannot login until you get your pin via text (within approx. 24 hours during weekdays).
