

## Special Electric Car Loan 5% Terms and Conditions:

Applications for loans are welcome from anyone who is a member and regular saver. The main criterion for providing a loan is the ability to repay without undue stress. The length of membership, regularity of savings, size of loan, ratio of loan to savings, are among the factors taken into account when considering a loan application as well as an individual's history regarding previous loans. The credit union needs to have evidence of earnings to assess the ability to repay the loan

1. **No electric car loan shall exceed the remaining life of the car, the maximum life being 10 years.**  
The said loan will be used for the **purpose** of which the loan was obtained
2. The electric car must be a plug in electric car or have the facility to plug in for electric.
3. This special rate loan can include the cost of two electric points installation.
4. Minimum borrowing of €20,000.
5. **Ability to repay** the loan must be proved i.e. member is not financially overextended
6. **Proof earnings** – income, employment details, social welfare payments
7. **A guarantor or other security may also be required**
8. **Cheque** must be made **payable** to the vendor, i.e. garage or third party. Credit Union may request an invoice from the vendor.
